

Private Receptions

Introduction

Norden Farm is a community arts centre situated on the west side of Maidenhead. In addition to its performance spaces, the Centre houses a thriving Café Bar, which specialises in catering for groups.

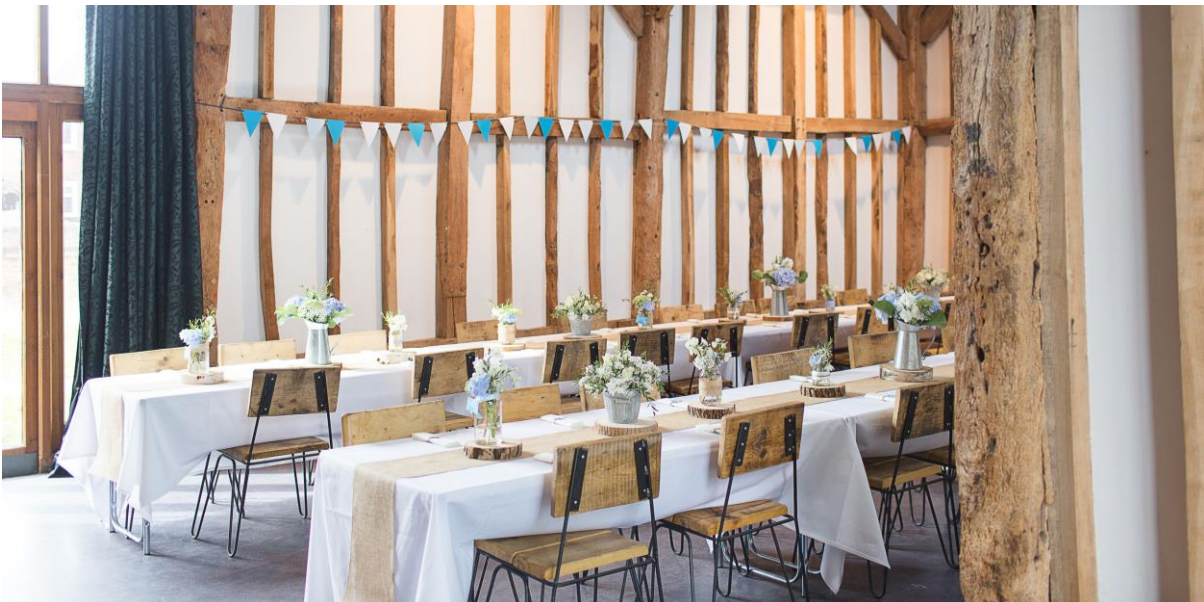

We have two private areas available:

Long Barn

The 18th century timber framed Long Barn has been beautifully restored and offers an unusual and interesting environment for receptions. It has its own entrance and toilets and is suitable for receptions up to 80 people.

Norden's

Norden's is also set in the original long barn and it too benefits from the beautiful timber features. Available for private use throughout the day, Norden's is suitable for receptions for 40 people.
