Course outline:

Play guitar but stuck in a rut? Want to play some notable songs and impress your friends? Then this is the course for you. Rediscover your 6-string and why you took it up originally. Learn some classic songs and reignite your guitar skills.

With tuition in small groups this is an excellent way of learning guitar for less than a quarter of the price of private lessons.

Aims and objectives:

To create a more rounded guitarist, being able to play chords, use the pentatonic scale, and be able to pick up new songs quickly using guitar tab.

Are there any other costs? Is there anything I need to bring?

Please bring your own acoustic guitar.

Tutor biography:

Richard Lee has been playing and performing guitar for well over 20 years. From his humble beginnings playing at Open Mic Nights right through to festival performances throughout the UK, Richard has a wealth of experience to bring to the lessons. With two critically acclaimed independent album releases under his belt Richard has a passion for music and an infectious appreciation for all things guitar.
