Course outline:

Learn about alcohol inks and how to use them. Suitable for all experience levels, even those completely new to painting! You will learn various techniques and applications for these vibrant inks - you'll be amazed at what you can achieve!

Aims and objectives:

- learn what the alcohol inks are and how to use them
- learning how to use the inks to get their full potential
- produce abstract paintings
- experiment with different surfaces
- learn how to add different textures
- an introduction in how to control the inks

Are there any other costs? Is there anything I need to bring?

£20 materials fee to the tutor.

Please bring with you:

- Apron
- Plastic gloves as the inks can stain hands
- A small face mask if you prefer as the inks can be quite strong smelling

Tutor Biography:

Kate has always been creative and has been painting for over 10 years. She is knowledgeable in many mediums of painting but has more recently fell in love with the alcohol inks. They respond in a way that is quite different to anything else she's worked with. She paints with them

every day and really has become addicted to them... she thinks you may too!
