The event kicks off with live music and entertainment from 4x4 Bhangra – The Kings of Bhangra at 4.30pm, come down and enjoy the funky beat of the dhol and amazing choreography, before the parade departs at 5pm

Where does the parade go? What's the route?

The parade begins at Maidenhead Town Hall and follows a route around the town centre. Take a look at the map below to see where it takes you!

The parade usually takes around 45 minutes to return back to the Town Hall, where live music and entertainment continues.

Dig out your rain coat and come on down! Lanterns are waterproof so the parade goes on!

Looks like it's going to be a chilly night, will there be somewhere I can get a hot drink?

The Narrative Café, based at Maidenhead Library will be open before the parade departs to keep you warm with hot drinks.

Maidenhead Library is just across the road from the Town Hall, and Melina and her team are looking forward to seeing your lanterns!

When I get to the Town Hall where do I go on parade day to get my lantern illuminated?

When you arrive at the Town Hall, head towards the grassy area to the left of the main building. There you will find sticks and lights ready for your lanterns.

Will there be people around who can help us with our lights and sticks?

There is a team of volunteers, young leaders and artists on hand to make sure you are ready for the when the parade departs at 5pm.

They will make sure your lantern is secure, and your light is working so you stand out in the crowd.

Do we get to take the light and stick home with it?

Sadly not, please make sure you hand in your stick and light to one of our volunteers at the end of the event. You can take home your beautiful lantern as a reminder of the night though!

Perhaps you can pick up some LED lights in town and illuminate it at home again?

Can I take pictures and videos at the event?

Yes!! We love seeing the parade through your eyes. When you share your pictures please tag Norden Farm and use the #nordenfarm
