finished crafts!

Please share your art with us by
using the hashtag:

#KayleighsCrafts

and by tagging Norden Farm
and Creative Eye.

Norden Farm Centre for the Arts is a registered charity,
providing access to the arts for the whole community. It
costs over £600,000 a year to run Norden Farm and your
donation will help to keep the work going.

If you are in a position to make a donation and help us
remain a vital part of the community, we would be
enormously grateful.
