

Meet our new Youth Theatre Director - Karen

Karen is a professionally trained actor and qualified drama teacher who has worked in arts and education for over twenty years. From acting alongside Ross Kemp in an ITV drama (just don't blink or you might miss her!) to running her own early years drama business to leading the creative arts department in a SEN school, she has had, you could say, a very varied career so far.

Karen loves working with young people to share her love of theatre and the power of the imagination and can't wait to get started at Norden Farm.

Meet our new Youth Theatre Assistant - Jane

Jane trained at East15 Acting School and has a first class honours degree in Acting and Community Theatre. She has been a workshop facilitator for 5 years, working with different age groups from 3 months to 80+! She also runs drama sessions at an SEN school. Jane loves exploring the different aspects of theatre, from physical clowning to reciting Shakespeare. Jane finds the creativity and energy of young people inspiring and looks forward to working with them at Norden Farm.
