

Alexandra (Alex) Searle graduated from GSA in July 2018 with a degree in theatre and performance. During her training Alex completed her Lamda grades and spent a placement year teaching and gaining plenty of experience at Berzerk Productions. Since graduating, she has taught for Little Tanks, worked at several stagecoaches and successfully set up her own business Pyjama Drama, working with children under the age of 5. When Alex isn't teaching, you'll find her performing interactive shows for children at the weekends. She even took a children's show up to the Edinburgh Fringe festival!
